Sunshine Learning Achievement & More! *Literacy, Numeracy, Social Skills & Fun!*

The Learning Disabilities Association of Niagara Region (LDANR) is offering children ages 6 – 12 with learning disabilities/ADHD (*diagnosis/identification NOT required*) a summer program opportunity to keep them on their toes during the summer months. Children will spend 50% of their time working on their academic skills (literacy & numeracy) and 50% of their time having more fun with recreational activities (crafts, games, sports, swimming) with a YMCA counselor and 100% of their time on social skills! Children will work and play in a friendly, supportive environment with low adult – child ratios. To provide your child with an opportunity to make slam-dunks in their academic skills and social skills register now! Children are welcome to participate in multiple sessions as each week comes with a new theme. Siblings are welcomed to join! *Space is limited!*
